SPONSORSHIP PACKET 5.17.13 TROY, MI @ 6 P.M.

About us

Sacred Heart Rehabilitation Center is a substance use disorder treatment provider. We serve women, pregnant women and women with children, men, and adolescents. Sacred Heart is now in its fourth decade of serving those with the greatest needs and the fewest resources. Our mission of charitable service has always been our distinguishing characteristic.

What is a FOSH?

A Friend of Sacred Heart (FOSH) is a generous donor and/or sponsor who aids in fulfilling our mission of assisting all people with behavioral health issues including those with limited means to improve their quality of life. A FOSH fills the monetary gap between a client receiving and not receiving treatment due to the lack of insurance and/or state funding. A FOSH allows an immediate option, the FOSH Treatment Scholarship, so treatment can begin at the right time and at the right place.

The need

The need is great. Hundreds of thousands of people in the State of Michigan need and seek, but don't receive, substance abuse treatment.

How will the money be used?

We have created a FOSH Treatment Scholarship Fund, which provides individuals the means to seek treatment even if they are unable to qualify for county funding, are uninsured or are unable to pay themselves. Specifically the Spirit of Compassion Benefit will raise money for this fund, which will be allocated to women, pregnant women and women with children. The fund will allow them access to treatment at the right time and in the right setting. Sacred Heart is one of the few providers that offers special programming for women, pregnant women and women with children. And with your help, less women and children will be turned away for treatment.
