Dear Friends of Sacred Heart,

Dear Friends of Sacred Heart,

On behalf of all of us at Sacred Heart Rehabilitation Center, I would like to welcome you to the 8th Annual Spirit of Compassion Dinner. We appreciate your joining us in our annual celebration of the beauty and the joy of women in recovery.

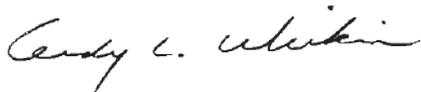

Perhaps, you have been touched by a woman experiencing the disease of addiction. For me, it was my Mother. Her spirit and her courage have left a mark on me. She did not win her personal battle but she never gave up hope and she never stopped trying. She remains a profound source of inspiration and motivation for me.

Many women in the Michigan, maybe the woman who touched you, are in recovery from an addictive disorder. Many are still caught, trying to find their own personal path. Tonight, we hold them all in our hearts. This evening of celebration is for them.

For 45 Years, Sacred Heart Rehabilitation Center has been providing substance abuse treatment services for adults. We provide a full continuum of integrated care: detoxification, inpatient residential, outpatient services, prevention, HIV/AIDS Case Management Services and peer support. We operate two specialized women's treatment programs: a long term residential treatment program in Detroit (New Life Home) and an intensive treatment program for women who may need to bring their children into treatment with them in Memphis (Clearview Home).

Our Spirit of Compassion Dinner is a symbol of the hope our services bring to those who seek them. It celebrates the courage and strength of women who have started their personal journey of recovery. Your continued support for Sacred Heart and the event is greatly appreciated by all of us at Sacred Heart..

Take a moment to celebrate recovery and enjoy the evening.

Families Against Narcotics

Your **connection** for information, resources, and support.

Founded in 2007, Families Against Narcotics is a grass roots organization whose membership has grown to over 400 in Macomb and Lapeer Counties. Members include parents affected by addiction, concerned citizens, law enforcement, judges, leaders in education, business, and religion, and recovering addicts.

Working together we have educated thousands of people throughout Michigan on the dangers of abusing prescription opiate-based painkillers and the potential to lead some to heroin use. We offer a variety of speaking engagements that include powerful stories of real life experiences from family members and addicts in recovery.
